Little Kids, Big Ideas Group

Does your young child (Kindergarten-2nd Grade) struggle with the everyday skills needed to succeed socially?

Children have difficulties navigating social relationships for a number of reasons. Those problems can often be quickly identified and treated. In a group format, children will learn the following skills through play, coaching, practice and reward:

- ❖ Detecting & Understanding Feelings
- ❖ Mood Management
- ❖ Self-Awareness & Self-Esteem
- ❖ Problem Solving Techniques
- ❖ Friendship Skills
