

Starting Soon!

Middle School Peer Group

Would your middle schooler benefit from a fun, supportive time hanging out with peers and practicing key skills that make friendships easier?

Our interactive group uses research-supported treatments to facilitate optimal social skills growth.

The skills we address can be used on a daily basis:

- ❖ Meeting & Greeting Peers
- ❖ Discovering Shared Interests
- ❖ Getting Comfortable Entering Crowds
- ❖ Becoming a Team Player
- ❖ Navigating Social Nuances
