

Parenting a Strong-Willed Kid

Our worlds have been turned upside down the over the last few months.

Our changed circumstances are seriously challenging our kids and significantly impacting their behavior & emotions. Families are feeling overwhelmed and need support and solutions for living this new normal.

Our family experts are here to offer support and new parenting strategies.

Our Video Group will help parents

- ❖ **Understand the emotional world of strong-willed kids**
- ❖ **Build more positive family relationships**
- ❖ **Learn effective behavior management skills**
- ❖ **Apply these skills in everyday situations**
- ❖ **Find hope and encouragement as a family**

Many common parenting strategies backfire with strong-willed kids. Behavior management skills that worked under normal life circumstances are likely not working as effectively in our current environments. We want to use our expertise to help you navigate your new day to day. Join our interactive video group to learn research-supported techniques from child specialists who are in the middle of helping families problem solve, manage behavior & emotions, and care for each other each day. You'll also have the chance to share ideas and get support from other parents who are facing similar challenges and will encourage you during these uncertain times.
